

Heavenly Father, I come to You in the name of Your Son, Jesus. Thank You for sending Him to die for my sins, an incredible act of love performed just for me. I am sorry for sinning against You. I believe that You are a forgiving God, as Your Word says, and that You forgive me of all my sins. I believe You raised Jesus from the grave, overcoming death, which allows me to accept Him and receive eternal life through Him. Jesus, please take me into Your grip and reside in my heart and be my Lord and Savior. Amen.

## Seeing It Up His Way

**So, whether you eat or drink, or whatever you do, do all to the glory of God. 1 Cor 10:31**

If you've ever played golf, you quickly discover how simple it looks, yet how difficult it is to master. Getting a hole in one, the ultimate shot in golf, is the "miracle" goal very few golfers ever experience.

Being challenged on the links is one thing- playing the game of life is similar but quite another, in terms of an ultimate goal.

Golfers all know that apart from the physical, mental/emotional, relational and financial attributes of the individual and the quality of his/her equipment, basics dictate how well a player develops. The grip, set up, swing plane and follow through can't be ignored.

The Bible says that God loves us as His potential players. He wants peace and life abundant and beyond for us. No matter what our background or equipment looks like, He wants us in His grip, giving us confidence to play in His fairway; avoiding the traps and hazards

of a fallen world.

Our old sinful stance must be discarded in a repentant way with His grace, mercy, and forgiveness establishing our new look as His player. Once His Holy Spirit resides in us, we have Him to guard, guide, and govern our swing plane or lifestyle. The follow through involves prayer, attending a Bible-believing church, fellowshiping with like-minded "players" and behaving as His Ambassador to non-believers in His Created game called life.

How's this for a deal? If you've ever played life, you know how simple it looks, yet how difficult it is to master. Well, the Master is calling you and offering you - yes you - golfer or not- His greatest miracle - Salvation and being a Holy-in-One with Him.

Step up to His great T (His loving Cross) and recite honestly the following prayer and you are off to victory, as one of His Young Masters.
