

Oh Say, Why Can't You See Him

Music and Lyrics by Anne Rich Copyright 1995

Verse 1

Oh Say, why can't you see Him

For America was founded on You

Here I stand at the place

Where it all began

And I see how far

We've gotten from You

I see the Mayflower before me

This ship that brought

So many so far

It would tear them apart

To see how cold

Our hearts are

When it was their Faith in God

That brought them here at all!

Chorus

Oh, America,

where would we be without him

We are called, one nation under God.

We are founded on

This principle in God we trust

Only the fool says in his heart there is no
God.

Oh, America,

Where would we be without him

It's true that we will reap

just what we sow.

Let Faith be our seed.

Trust in God be the Hoe

We will lead our nation for the Lord.

Verse 2

Oh say, are you called by His holy name.

If you are, then it's up to you and I

To get down on our knees

and Lift up our eyes

Don't lose the vision,

Or the nation will go blind

Today we're like our founding fathers

Our ship is the cross of Christ

Let's Go out into this world

Of trouble and strife

Tell the world

He's the Way, the Truth, The Life!

Chorus

Oh, America,

where would we be without him

We are called, one nation under God.

We are founded on

This principle in God we trust

Only the fool says in his heart, there is no
God.

Oh, America,

Where would we be without him

It's true that we will reap

just what we sow.

Let Faith be our seed.

Trust in God be the Hoe

We will lead our nation for the Lord.

Let Faith be our seed.

Trust in God be the Hoe

We will lead our nation for the Lord.
